# RamQuest Announces Integration with AREAL.ai

Plano, Texas, June 21, 2022 – [RamQuest](#), a leading provider of technology-based solutions for the title insurance and settlement industry, announced today that its [Closing Market](#) digital network is now integrated with [AREAL.ai](#).

RamQuest's Closing Market digital network is an application-to-application interface that seamlessly integrates diverse systems and enables each participant to work from their own software. AREAL.ai incorporates artificial intelligence to provide realtime document automation, including data extraction and processing.

"We're excited for RamQuest customers to be able to utilize AREAL.ai's unique and innovative solutions. Its use of automation and AI technology will streamline the process, saving customers time and money," said RamQuest President Paula Maurstad.

"The AREAL/RamQuest partnership allows users to reach their automation goals seamlessly and efficiently. We look forward to helping RamQuest's customers achieve these goals," said AREAL.ai CEO and Co-Founder Argun Kilic.

AREAL.ai's solution is specifically designed for the title and mortgage industry. With its Rapid Order solution, users can produce seamless title and escrow order entry within seconds. Users can also utilize AREAL.ai's Rapid Settlement for Escrow Document solution to automatically verify large document sets, including an

analysis of the completeness of buyer, seller, lender and notary documents all at once. These features are both accessible within RamQuest solutions.

### **About Closing Market**

Closing Market electronically connects business partners, enabling them to order, exchange, and market products and services required in the real estate closing process. With Closing Market, RamQuest customers can easily and efficiently order products and services without leaving their RamQuest title production solutions.

### **About AREAL.ai**

AREAL.ai has been serving clients nationwide since 2020 with a specific focus on the title and mortgage industry. Its headquarters is located in Los Angeles, California. Contact the AREAL.ai team via [email](#).

### **About RamQuest**
